

Feedback about the design, validations, and other issues:

1. The sign-in can be accessed by empty fields
 - This is High severity and High priority bug, it has a security issue.
2. Missing labels for the fields: “Username” and “Password”
 - This is Low-severity and High-priority bug, it has a security issue.

Library Login

The form contains two stacked input fields. The top field has the placeholder text "Enter your username". Below the input fields are two buttons: "Sign In" (green) and "Sign Up" (blue). Below the buttons is a link: "Forgot your password? [Here!](#)".

3. The “Username” and “Password” fields are stuck together. They should have enough space between them and they need to be labeled

Library Login

The form contains two stacked input fields. The top field has the placeholder text "Enter your username". Below the input fields are two buttons: "Sign In" (green) and "Sign Up" (blue). Below the buttons is a link: "Forgot your password? [Here!](#)".

4. The blue frame on the “Log in” page is too tight. There is not enough space for the labels.
